## The Three Musketeers

July 2008

***Mid-hardy-har-har King Louis loses his laugh. What has happened? The royal funny bone has been stolen. What should the King do? Our King does what any good King would do when a royal relic is removed from the realm; he calls in the Musketeers. Will the Three Musketeers (plus one) find the funny bone? Come join our tenacious troupe on their trek to once again tickle the funny bone and restore laughter to the kingdom.***

***'A picnic with spaghetti and sardines!'***

***'Thrust-parry-thrust, or is it parry-thrust-parry'***
